

You are needed to share your valuable skills with a Cosgriff student. This volunteer opportunity is guaranteed to change the life of a child in a positive way.

STAR is a reading program that provides extra reading practice for students who might be struggling with their reading skills. Volunteers are asked to give one hour each week (two thirty minute sessions) to help a student. We will coordinate your schedule with the child's schedule and will provide the training you will need to implement the program.

If you can help please call Kristin Bonacci at 486-3197 or 583-3449 or turn in the following information to the school office.
